

# ARC NWC Social Care Research Internships

## What is this?

An opportunity to work with universities across the North West Coast to carry out research in an area of social care you feel needs to be better understood or improved for service users and staff

## What will you get?

You will receive training in research methods and support to carry out your own research

Your employer will be 'paid-out' for your time as a research intern – 1 day per week for up to a year (max £6,000)

You will have funding to cover costs

Support and advice from experts in your research area and our research capacity building team

Support from fellow interns and meetings with other relevant organisations to facilitate your research

If you are interested, please contact James or Danielle to discuss potential research ideas and the application process. We are happy to support the development of an application:
